

Health and Safety Exemption Requirement

Florida Academy adheres to all requirements pertaining to the protection of student information. Information about Student Records and confidentiality can be found at the following link: <https://florida-academy.edu/wp-content/uploads/2023/06/FERPA.pdf>

However, there are limited exceptions to FERPA regulations under which Florida Academy is permitted to disclose education records or personally identifiable, non-directory information from education records in connection with a health or safety emergency without student consent.

The situation must present imminent danger to a student, other students, or members of the school community in order to qualify as an exception.
